Intelligence Exploitation [REDACTED]

REF : St/I Notice # 231 dated 25 March 1959

Manufacture

1. Approximately how many aircraft are manufactured per year at the different factories?
2. How many aircraft have been manufactured in Rumania since the war?
3. What models of aircraft are being manufactured at present? Where?
4. Have there been any changes recently in the rate of production?
5. Approximately how many square meters of floorspace are used for manufacture of aircraft at the different factories?
6. How many people are employed in manufacture of aircraft?
7. Are aircraft only repaired at Bacau, or are aircraft also manufactured there?

Cost

1. What is the cost of the different models of aircraft? (Indicate if engine is included, and date when information acquired by source).
2. Information about the budget for aircraft manufacture would be welcome.
